## About the Editors

**Jing Huang** is a Professor and Director of the Centre on Asia and Globalisation at the Lee Kuan Yew School of Public Policy. He is an internationally recognised expert on Chinese politics, China's foreign relations and security issues in Asia-Pacific.

**Shreekant Gupta** is an Associate Professor of Economics at the Delhi School of Economics and Adjunct Associate Professor at the Lee Kuan Yew School of Public Policy. He has worked as a researcher, policymaker and consultant on environment, natural resources, energy and urban issues.

*Environmental Policies in Asia* highlights the environmental challenges Asian planners and policymakers face as the continent undergoes rapid economic growth in the 21st Century. Edited by Jing Huang and Shreekant Gupta, with contributions from leading Asian scholar practitioners, this timely and unique volume is the first of its kind to look at environmental policies and governance from the perspective of seven dynamic Asian countries.
